### **BE SURE TO SIGN IN AND OUT ON THE FORM AT THE WAITING TABLE!!!**

Each campus is limited to 4 entries per grade level in each event. Technically, only 3 students are allowed to compete in each grade level for each event. The lowest placing student will be considered the alternate on the team. If all four students place in the top 10, the 4<sup>th</sup> student is considered the alternate position and will receive a "Special Awards" ribbon rather than be ranked.
