## UIL HAZING INFORMATION

In order to compete in UIL competitions, you must complete the Hazing Quiz through the online registration. You must make a 90% on this quiz in order to participate in the competition.

The following is some additional information on hazing to consider before you take the quiz.

Definition of Hazing: the practice of rituals and other activities involving harassment, abuse or humiliation used as a way of initiating a person into a group. Hazing is seen in many different types of social groups, including gangs, sports teams, schools, military units, and fraternities and sororities.

- A person who has firsthand knowledge of a hazing incident is to report the incident to an appropriate school official.
- Hazing means endangering the mental or physical health or safety of a student.
- An activity that intimidates or threatens another student with ostracism is considered hazing.
- Hazing is a violation of Texas Law.
- Hazing can occur anywhere. It does NOT have to be on campus to be considered hazing.
- Hazing is a violation of the North East ISD Student Code of Conduct.

The following can be considered to be “hazing” acts:

- Being locked in a small space for an extended period of time.
- Physically beating a student with any instrument.
- Making a person drink excessive amounts of water.
- Making a person eat excessive amounts of food.

**Hazing is strictly prohibited on any NEISD team! Be sure that your actions are always welcoming and inclusive of all our UIL team members.**
