Student Release Form

During the school year, opportunities arise to provide positive information and publicity about our programs and events to the general public or specific audiences. In some cases, we may receive requests from the news media or professional persons to interview, photograph, and/or film students for news or non-profit publications, television or radio broadcasts, or for educational information and training or various publications and brochures printed by the North East Independent School District and parent-teacher organizations.

Permission is needed for your child to be the subject of any news media publicity or included in district publications. Please sign this form and return it to the school, where it will be kept on file for future reference.
